

November 2006

Dear Partner,

Well, it's November. About the time you receive this newsletter, **Edson and Theo Zimbandi** and I will be arriving in Cincinnati for a month's visit.

Edson and Theo are a great Christian couple that I have worked with in **Harare** for the past eight years. They will be heading up **Uttermost Missions' Relief and Development**

Edson and Theo Zimbandi

work in **Zimbabwe**. Edson and Theo will travel to a number of churches and distribution centers with me.

Relief and Development

To help alleviate some of the material suffering, our desire is to send containers to Zimbabwe with new and used goods. What we might throw away in America would be a treasure in Zimbabwe. There are a number of orphanages that would benefit from this project.

Our two biggest hurdles are obtaining an exemption from the Zimbabwe Customs and Excise Department to avoid paying a fortune to bring these donated items into the country. The next biggest hurdle is the estimated \$5,000 that it will cost to ship these goods.

A Tale of Sister Cities

Harare, Zimbabwe and Cincinnati, Ohio are **Sister Cities** and we therefore hope that the City of Cincinnati will help us solicit corporate funding for the shipping of the container on this Sister City Initiative. We are calling it,

What Are Sisters For?

Also, because

Sister Cities – Harare on the left and Cincinnati

Harare has an annual "Mayors' Christmas Cheer Fund," we have local support to import this container of clothes, can goods, medical supplies and other items desperately needed here. Edson is currently pursuing exemption with the revenue authority, as that is a key condition to the project.

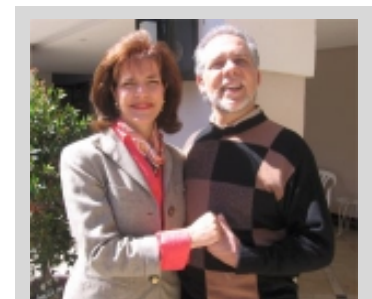

Outreach to Karoi

This coming weekend, Edson and I will travel to **Karoi** to do a Pastors' Seminar. We will do special services for the **Apostolic Faith Mission Church** as it celebrates its third anniversary.

Please pray for our Sister City Initiative and that God will anoint our trip to the States. We hope to see you during our visit and appreciate all that you do to help us help those in need

Love,

Mark C. Roser
