

Orphaned Children

There are 1.5 million orphans in Zimbabwe. This is a very large number especially when you consider the population of Zimbabwe is less than 10 million. Many of these children have lost their parents due to AIDS. This deadly virus has reduced the life expectancy of Zimbabweans from 61 years to a mere 34 years. As the life expectancy of Zimbabweans drops, the number of orphans increases daily.

The plight of these fatherless children is made more difficult by Zimbabwe's economic decline. Inflation has risen to over 2,000% and unemployment is 80%. Most Zimbabweans struggle to provide for their own children let alone someone else's children. An estimated 3.5 million skilled Zimbabweans, who might have helped relieve the distress of these children, have left the country. Without outside help, many children in Zimbabwe will starve.

What We Do

Uttermost Missions is a small homegrown mission with 21 years of experience in Zimbabwe. Due to the desperate plight of orphans, we launched a wing of our missions work called F.A.I.T.H. — *Food Aid Initiatives Touching Heaven*

FAITH provides local, Christian organizations with food, clothes and other essentials. Since our emphasis has been evangelism, church planting and discipleship, we focus on helping groups that share Jesus *and* meet these essential needs.

Not only is the food given in Jesus' name but also Christian nurture so that these children can grow up knowing Him who is "a father to the fatherless."

Because we are a grassroots organization with 21 years of experience, we are able to insure that donations go a long way and that they meet verifiable needs. We do not use FAITH donations to employ anyone or build anything. We use these funds to purchase food and other essentials that go strictly to Christian groups in Zimbabwe that are caring for the needy. We personally know the leadership of these groups.

What You Can Do

You can be a FAITH partner with us. By your prayers and financial gifts we can touch heaven. Together we can show our faith by our works and fulfill the words of Jesus:

"For I was hungry and you gave me something to eat... I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me"
(Matthew 25:31-40).

A United States dollar goes a long way in Africa. For a dollar you can feed a child for a day. For thirty dollars you can feed a child for a month. Send whatever you wish to give to:

On the memo line of your check, simply write "FAITH". We will see that your gift goes to feeding hungry children. Your gift is tax deductible and we will provide you with a donation letter for tax purposes.
